

Assignment 2 Worksheet

Framing the Strait of Hormuz Crisis on Social Media: A Cross-Platform Analysis of Reddit and YouTube

Field	Details
Team	Matteo Omizzolo (s4230379); Emilija Milanovic (s4233176)
Group	PG Group 3
Status	Draft template - replace bracketed fields with actual project records before submitting
Coverage	Project plan; two weeks of timesheets per member; individual self-reflection

Completion Guidance

This worksheet is structured to record real teamwork evidence without inventing hours or contributions. Replace each bracketed prompt with accurate dates, responsibilities, outputs, meeting evidence, and hours. Remove unused rows only after confirming that the record remains complete.

Team Project Plan

Workstream	Actual responsibility allocation	Evidence/output to reference	Check-in or review
Scope and research question	[Who led/refined the focus?]	[Plan, notes, agreed question]	[Date/status]
Data collection and ethics	[Actual collection/privacy roles]	[Source log, anonymisation check]	[Date/status]
Preprocessing	[Actual cleaning/quality roles]	[Notebook/output/audit]	[Date/status]
NLP analysis	[Actual sentiment/topic roles]	[Notebook/result table]	[Date/status]
Network construction	[Actual graph/community roles]	[Notebook/result table]	[Date/status]
Visualisation	[Actual figure/table roles]	[Figure or table list]	[Date/status]
Report writing	[Actual drafting/editing roles]	[Sections reviewed]	[Date/status]
Final review/submission	[Actual QA/upload roles]	[Checklist/access proof]	[Date/status]

Weekly Plan And Progress Tracking

Use this overview alongside the individual timesheets. Enter milestones that genuinely occurred, including adjustments where priorities or results changed.

Period	Planned priority	Responsibility split	Progress/evidence	Adjustment or next action
Week 1 [dates]	[Actual planned activities]	[Member allocation]	[What was completed?]	[Actual adjustment]
Week 2 [dates]	[Actual planned activities]	[Member allocation]	[What was completed?]	[Actual adjustment]
Final QA [date]	[Final review/access/submission]	[Member allocation]	[Files/checks]	[Remaining action/N/A]

Communication And Collaboration Record

Practice	Record actual arrangement or evidence
Meeting/check-in rhythm	[Insert actual dates, channel, frequency, or meeting-note location]
File/version coordination	[Insert how notebook/report edits and final files were coordinated]
Review process	[Insert actual peer-review, consistency, or final-check steps]
Issue resolution	[Insert any genuine challenge and agreed response, or state none identified]
Balanced contribution check	[Confirm accurately how workloads were monitored or adjusted]

Deliverable Checkpoint

Required item	Prepared/verified by	Date checked	Notes
Report PDF	[Name]	[Date]	[Filename/QA note]
Code repository/package	[Name]	[Date]	[Readability/dependency check]
Access demonstration file	[Name]	[Date]	[URL/access status]
Worksheet PDF	[Name]	[Date]	[Details/hours completed]
Representative data sample <=10 MB	[Name]	[Date]	[Size/privacy/schema check]

Weekly Timesheets

Enter only tasks undertaken and hours actually worked. Evidence can refer to a notebook, script, figure, report section, review note, meeting/check-in, or repository task.

Week 1 Timesheet - Matteo Omizzolo (s4230379)

Week commencing: [INSERT DATE] Check-in/meeting date(s): [INSERT DATE(S)] Submission role for this week: [INSERT ACTUAL ROLE]

Date	Actual activity/contribution	Evidence or outcome	Hours	Follow-up
[Date]	[Record actual task completed]	[Evidence/reference]	[0.0]	[Notes]
[Date]	[Record actual task completed]	[Evidence/reference]	[0.0]	[Notes]
[Date]	[Record actual task completed]	[Evidence/reference]	[0.0]	[Notes]
[Date]	[Record actual task completed]	[Evidence/reference]	[0.0]	[Notes]

Weekly total for Matteo Omizzolo: [INSERT ACTUAL TOTAL] hours. Progress summary and any agreed next step: [INSERT ACCURATE SHORT SUMMARY].

Week 2 Timesheet - Matteo Omizzolo (s4230379)

Week commencing: [INSERT DATE] Check-in/meeting date(s): [INSERT DATE(S)] Submission role for this week: [INSERT ACTUAL ROLE]

Date	Actual activity/contribution	Evidence or outcome	Hours	Follow-up
[Date]	[Record actual task completed]	[Evidence/reference]	[0.0]	[Notes]
[Date]	[Record actual task completed]	[Evidence/reference]	[0.0]	[Notes]
[Date]	[Record actual task completed]	[Evidence/reference]	[0.0]	[Notes]
[Date]	[Record actual task completed]	[Evidence/reference]	[0.0]	[Notes]

Weekly total for Matteo Omizzolo: [INSERT ACTUAL TOTAL] hours. Progress summary and any agreed next step: [INSERT ACCURATE SHORT SUMMARY].

Weekly Timesheets

Week 1 Timesheet - Emilija Milanovic (s4233176)

Week commencing: [INSERT DATE] Check-in/meeting date(s): [INSERT DATE(S)] Submission role for this week: [INSERT ACTUAL ROLE]

Date	Actual activity/contribution	Evidence or outcome	Hours	Follow-up
[Date]	[Record actual task completed]	[Evidence/reference]	[0.0]	[Notes]
[Date]	[Record actual task completed]	[Evidence/reference]	[0.0]	[Notes]
[Date]	[Record actual task completed]	[Evidence/reference]	[0.0]	[Notes]
[Date]	[Record actual task completed]	[Evidence/reference]	[0.0]	[Notes]

Weekly total for Emilija Milanovic: [INSERT ACTUAL TOTAL] hours. Progress summary and any agreed next step: [INSERT ACCURATE SHORT SUMMARY].

Week 2 Timesheet - Emilija Milanovic (s4233176)

Week commencing: [INSERT DATE] Check-in/meeting date(s): [INSERT DATE(S)] Submission role for this week: [INSERT ACTUAL ROLE]

Date	Actual activity/contribution	Evidence or outcome	Hours	Follow-up
[Date]	[Record actual task completed]	[Evidence/reference]	[0.0]	[Notes]
[Date]	[Record actual task completed]	[Evidence/reference]	[0.0]	[Notes]
[Date]	[Record actual task completed]	[Evidence/reference]	[0.0]	[Notes]
[Date]	[Record actual task completed]	[Evidence/reference]	[0.0]	[Notes]

Weekly total for Emilija Milanovic: [INSERT ACTUAL TOTAL] hours. Progress summary and any agreed next step: [INSERT ACCURATE SHORT SUMMARY].

Individual Self-Reflection

Page limit: this entire self-reflection section must remain no more than one A4 page in total. Each member should replace their prompt paragraph with a concise, evidence-based reflection using 12 pt text. Avoid claims that cannot be supported by the plan or timesheets.

Matteo Omizzolo (s4230379)

[Write a concise personal reflection of approximately 120-160 words. Address what worked well; how communication and progress tracking were managed; your actual responsibilities across data, NLP/network analysis, visualisation, writing, or review; any genuine challenge and its resolution; and one practical improvement for future teamwork.]

Emilija Milanovic (s4233176)

[Write a concise personal reflection of approximately 120-160 words. Address what worked well; how communication and progress tracking were managed; your actual responsibilities across data, NLP/network analysis, visualisation, writing, or review; any genuine challenge and its resolution; and one practical improvement for future teamwork.]

Final Accuracy Confirmation

Before exporting the submission version, both members confirm that hours, contributions, dates, reflection statements, and access details are accurate and that placeholder text has been removed.

Member	Confirmation/signature (if required)	Date
Matteo Omizzolo (s4230379)	[INSERT IF REQUIRED]	[DATE]
Emilija Milanovic (s4233176)	[INSERT IF REQUIRED]	[DATE]
